Dear Parents of Little People's Golfers:

Thank you for choosing the 2018 Pepsi Little People's Golf Championships for the young golfer or golfers in your family.

Our tournament has grown tremendously since 1974, when 174 players competed on one nine-hole golf course! This year, some 250 to 300 young golfers are expected to enter, coming from nearly every state, Canada, and many foreign countries. They will test their skills on two Quincy, Illinois, golf courses.

Our goals have grown throughout the years also. During those first years, we donated a portion of the proceeds to local high school golf teams. Today, our "Kids Helping Kids" program encompasses: (1) Little People's Charitable Program, (2) the Tri-State Junior Golf Tour, and (3) the Little People's Scholarship Program. With your help we can expand all of these programs in the future.

1 Little People's Charitable Program provides that a portion of Little People's proceeds goes to Transitions of Western Illinois. Transitions is dedicated to providing assistance to physically and emotionally-challenged young people and their families. Since 1996, we have donated some $71,000 to that organization.

2 The Tri-State Junior Golf Tour provides five to seven 'stepping stone' golf tournaments in the tri-state area each summer for youngsters desiring more competitive experience. The Tour gives boys and girls an opportunity to compete against others their age, and also provides some scholarships for those who wish to play in the Pepsi Little People's Golf Championships.

3 The Little People's Scholarships Program provides young golfers who have limited family finances the opportunity to compete in the Pepsi Little People's, an international junior golf tournament (see information on this website under Little People's Scholarship Program). In the last 14 years, we have awarded partial or full scholarships to 34 local and national First Tee participants, and to 39 national players through our Little People's Scholarship Program.

Many people have asked, "How can we help?" Our answer was to establish a Booster Club for parents, grandparents, friends and alumni. Membership is $10 per person, or an amount of your choice. As a member, you will receive a special Booster Club gift and will be recognized at the Family Celebration Picnic. More importantly, you will be helping young people of all abilities to fulfill their dreams. Donations can be made with the Booster Club form in this acceptance pak, or during tournament registration at Westview in Quincy on Sunday and Monday, June 17-18.

Thank you. With your help, we can continue our service to wonderful and talented young people. We look forward to seeing you in Quincy in June.

Sincerely,

Nan

Nan Ryan, Little People's Founder and Executive Director
