

Information on the 'Spirit of Giving' Award for Pepsi Little People's Participants

Eleven years ago, we established an Award in memory of John Howerton, a Little People's Board member and Chair of our Transportation Committee, who passed away unexpectedly in 2011, following a routine surgery.

John was a great ambassador for Little People's, and established many friendships with our players and their families. The John Howerton 'Spirit of Giving' Award is in memory of John's giving spirit.

If you have a story of unselfish giving about your son or daughter or any other Little People's player that happened in the last two years, and have some documentation of this (newspaper article, internet article, video, etc.), please let us know.

You can email, fax or mail the story and documentation to Nan Ryan at jrgolfer@littlepeoplesgolf.com, fax to 970-586-3116 or mail to 1600 Wapiti Circle #8, Estes Park, CO 80517. We need to have this no later than Friday, April 30. To receive this award, the player must be a contestant in the 2021 Pepsi Little People's Golf Championships and must complete the tournament.

The Award will be presented at the Picnic on Monday night, June 21. Past winners of this award are Claire Hodges, Maggie Ambrose, Zach Hoskins, Tripp Kinney, Hannah Berman, Alex Heard, Jack Hilgenberg and Sophia Macias.
